(2005/380/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Whereas:

- (1) The Commission Action Plan on Modernising Company Law and Enhancing Corporate Governance in the European Union <sup>(1)</sup> adopted in May 2003 identified a series of actions that are required in order to modernise, complete and simplify the regulatory framework for company law and corporate governance.
- (2) That Action Plan recognises the importance of expert and public consultation as an integral part of the development of company law and corporate governance at Community level.
- (3) The group of non-governmental experts on corporate governance and company law should therefore be established to serve as a body for reflection, debate and advice to the Commission in the field of corporate governance and company law, in particular in connection with the measures foreseen in the Action Plan; it is therefore appropriate to provide for the presence in this group of particularly well-qualified persons, active in the business and the academic communities or the civil society, capable of bringing their specific knowledge of corporate governance and company law at Community level.
